

PAPER PLACEMATS

A sheet of paper placed on a table to protect it during a meal or at the bottom of a tray to decorate it.

Benefits

- Very decorative and attractive, it enhances the table's appearance and adds a finishing touch.
- 100% recyclable.
- Protects the plates and utensils from direct contact with the table.

Features

- Available in several sizes.
- Solid colours, patterns or custom designs.
- Flexographic printing.

Packaging

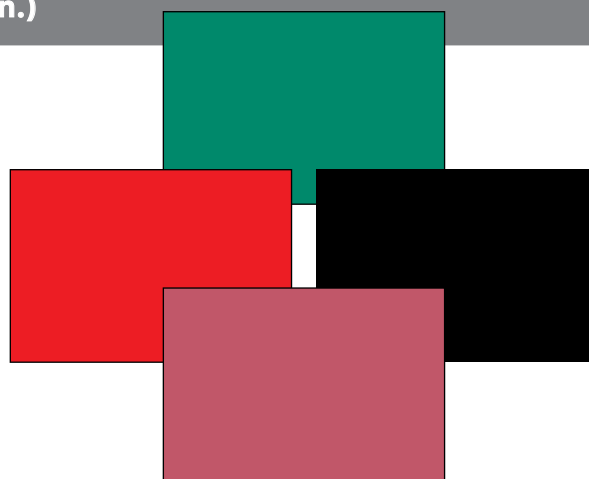

- 1000 placemats per box.
